<b>How to get to/from work and around the city</b>	Uber, Lyft or Taxi are always options but can become expensive. We advise getting a bicycle to get to/from work and around the community. <b>Arrival Airport</b>	ORF - Norfolk, VA International		
<b>How to get from the suggested airport to the check-in location</b>	All students will go to 1705 Creek Street, Kill Devil Hills, NC. The house is too far from the airport for Uber, Lyft or a taxi. You will need to arrange travel from the airport to the house before you leave your home country. Below are some people you can contact for prices and to make arrangements. There are other options that you might find with an internet search. It may be cheaper if you can travel with someone else.
